

Partnership Opportunities

Join our mission.
Support change.
Be part of the journey.

We offer three partnership tiers, each playing a vital role in transforming lives across the Humber. Whether you're helping us raise the sails or steering real change, every level makes a lasting difference.

Why Partner with CatZero?

Align your organisation with a respected, Humber-based charity with proven long-term impact

Gain visibility across our programmes, digital platforms and high-profile events

Be part of a growing movement focused on employment, wellbeing and opportunity

Support real people to achieve lasting personal change

1

Spinnaker Club

*Momentum Makers |
£1,000 per year*

Spinnaker Club members are the first to catch the wind of change.

Your support helps us launch vital programmes and reach those who need it most. As a Momentum Maker, you will receive a welcome pack alongside a framed supporter certificate to mark your commitment.

You will be invited to major events and networking breakfasts, keeping you connected with our community. Quarterly updates and our exclusive 'Captains Log' newsletters will keep you informed on progress and impact.

Additionally, you may choose to participate in taster sails and be entered in to prize draws for berths on fundraising sails, offering unique experiences as part of your involvement. Your support sets the journey in motion.

2

Mainsail Partner

*Driving Force |
£6,000 + VAT per year*

Mainsail Partners provide the steady power behind CatZero's work.

Much like the mainsail on our 72-foot yacht, your contribution drives us forward and sustains year-round impact. In recognition of this vital role, your logo and link will feature prominently on our website and materials. Yacht branding will display your partnership visibly, alongside use of the Mainsail Partner logo.

You will receive an exclusive supporter plaque as a mark of gratitude. Invitations to events, exhibitions and media opportunities will keep you engaged with our journey. Your team will be welcomed on a private day sail, subject to scheduling, fostering a shared connection to our mission. Access to team building, coaching and training is also available, enhancing your organisation's growth.

We offer co-branded project opportunities and CSR engagement to amplify your impact. Together, we help CatZero stay the course.

3

Helm Partner

*Leaders in Change |
£25,000 per year*

Helm Partners provide the highest level of financial support, empowering CatZero to scale its reach and deepen long-term impact across communities in the Humber.

Your investment enables transformational change that will benefit generations to come. As a Helm Partner, you will enjoy premium visibility across all communications, ensuring your leadership is seen and celebrated. Bespoke content features and joint media opportunities will showcase your commitment and impact. VIP invitations include speaking opportunities at key events, giving your organisation a platform to inspire others. Tailored impact reporting and insights will provide detailed evidence of how your support transforms lives.

Access to team-building days and employee volunteering strengthens your team's connection to the cause. You will have priority access to co-branded projects and co-funded programmes, enhancing collaboration. The exclusive use of the Helm Partner logo will mark your status as a leader in change. Your leadership steers our mission towards lasting, generational transformation.

“CatZero is probably the best thing you could ever do. It has really changed my life and I couldn’t be more thankful to the staff for everything.”
