MORE THAN A RACE

It's an adventure. A challenge. And a chance to be part of something extraordinary. Your challenge could also change someone's life.

When you sail with CatZero, you're doing more than taking on an incredible challenge.

Every mile you sail helps support our work with young people, adults and families across the Humber, particularly in some of our region's most disadvantaged communities.

For nearly two decades, CatZero has helped people build confidence, gain skills, strengthen relationships and find a way forward.

And our iconic 72-foot yacht is at the heart of that work.

For our participants, stepping onto the boat can be the start of something life-changing. It gives people the opportunity to leave their comfort zone behind, work as part of a team and discover strengths they never knew they had.

FOR EVERY £1 INVESTED IN CATZERO, WE GENERATE £8.04 IN SOCIAL VALUE.

So when you take on the Fastnet with us, your adventure can help create opportunities and lasting change for people who need it most.

SAIL WITH US. EVERY NAUTICAL MILE HELPS CHANGE A LIFE.

"CatZero is probably the best thing you could ever do. It has really changed my life and I couldn't be more thankful to the staff for everything."
